Work Experience

NXP Semiconductors — **Munich, Germany**
Working Student – Corporate Strategy — 05/2025 – present

- Scouted startups across deep-tech areas (e-mobility, robotics, AI chips, etc.) and shortlisted five candidates for potential investments or venture-client partnerships
- Worked with internal stakeholders and startups to identify joint use cases for future projects and advance selected startups to proof-of-concept stage
- Investigated startup ecosystems in various countries to identify opportunities to strengthen NXP's local presence in the startup landscape

Audi AG — **Ingolstadt, Germany**
Intern – Project Management of Production — 03/2024 – 09/2024

- Created executive presentation documents for management and board committees to address manufacturing-related challenges across multiple vehicle projects
- Prepared and followed up on the steering committee meetings and workshops involving production and engineering teams from international sites
- Analyzed opportunities to reduce configuration complexity across vehicle models

University of Applied Sciences Aachen — **Aachen, Germany**
Tutor – Higher Mathematics and Fundamentals of Electrical Engineering — 11/2020 – 02/2023

- Led weekly exercise classes and laboratory experiments for students

Schmitz Cargobull AG — **Altenberge, Germany**
Apprenticeship – Electronics Technician for Industrial Engineering — 08/2017 – 06/2020

- Graduated with 1.0 avg. (German 1-5 scale)
- Performed maintenance and troubleshooting of production equipment, set up new machines on the production line, and programmed industrial automation systems

Education

Technical University of Munich — **Munich, Germany**
Master of Science in Electrical Engineering – focus on battery technology and power electronics — 10/2024 – 03/2027

- Current grade 1.6 avg. (German 1-5 scale)
- Research internship: Continuization of a many-particle model for $LiFePO_4$ electrodes

University of Applied Sciences Aachen — **Aachen, Germany**
Bachelor of Engineering in Electrical Engineering – focus on automation engineering — 09/2020 – 02/2024

- Graduated with 1.7 avg. (German 1-5 scale), top 15%
- Bachelor's Thesis: Development of a linear stator, grade 1.0 (German 1-5 scale)

Inha University — **Incheon, South Korea**
Electrical Engineering Exchange Semester — 02/2023 – 06/2023

- Successfully completed with 1.2 avg. (German 1-5 scale)
- Participated in a student chess club to deepen cultural understanding

Pictorius Berufskolleg — **Coesfeld, Germany**
Specialized A-level – focus on electrical engineering — 08/2015 – 06/2017

- Graduated with 1.3 avg. (German 1-5 scale), top 5%

Extracurricular Engagement

Member of the student council at the University of Applied Sciences Aachen — **Aachen, Germany**

- Elected student representative to represent student interests at faculty level — 06/2021 – 02/2023

Member of the organization committee for the annual dormitory student festival — **Aachen, Germany**

- Contributed to the planning and execution of a festival with 3500+ participants — 02/2022 – 07/2022

Skills

Languages: German (native), English (fluent), Korean (basic knowledge)
Software: Microsoft Word, Microsoft Excel, Microsoft PowerPoint, MATLAB, C++, Python, COMSOL
Interests: Running, Chess, Soccer, Table Tennis, Cultural traveling
